Home meets provide our membership with some of the best opportunities for competition. All competitive swimmers will be charged meet entry fees for home meets regardless of participation (unless qualifying standards). Our goal is to have 100% volunteer participation, motivated by an appreciation for the Bluefish and the sport of Swimming. Due to the importance of successful fundraising and to be fair to those who willfully volunteer, parents are expected to fulfill our work/volunteer requirements. Volunteers have the opportunity to choose assignment/job, such as timing, by signing up with the software, Supermeets.

Policy Regarding Championship Meets: Bluefish Swim Club is a highly competitive world renowned swim team. Team success at championship meets is one of our highest priorities. Our expectation is to have 100% participation of qualified swimmers at championship meets. Due to the importance of team performance anyone not attending will be fined \$50. Championship meets have team work assignments all families are required to work at least one session or as many as necessary to fulfill our work obligations. We will also be utilizing the Supermeet software to organize our volunteers for these work assignments.

Bluefish Swim Club C & C Swimming, Inc. Delinquent Account Policy

The purpose of this statement is to formally establish our policy with regards to the handling of delinquent accounts. Members who have outstanding balances inevitably undermine the health and success of our club. We hope that we will always be able to solve any problems regarding a member's payment obligations through communication.

Our membership fees are structured so that the club can maintain a viable swimming program. Your timely payments contribute to our overall financial well being and our ability to pay for excellent coaches, desirable pool time and swim meet entries, as well as covering all of the related costs of insurance and taxes. We are more than accommodating and understanding that people will and do fall behind in their payments from time to time but we must adhere to the following established procedures:

1. A Delinquent Account Notice will be sent to you notifying you of your account status.
2. After receipt of a Delinquent Account Notice a member will have fifteen days to pay their account in full. In the event of extraordinary circumstances which have been communicated to C & C Swimming, Inc., we will work with the delinquent member to establish an acceptable formal payment plan.
3. If we have not heard from the delinquent member by the end of the fifteen days, or if an acceptable formal payment plan is not established and maintained, the accounts swimmer(s) will no longer be entered in any swimming competitions, and these accounts will bear interest at the rate of eighteen percent (18%) per annum.
4. Accounts which continue to be delinquent and where no established payment plan is in effect and maintained will be declined for renewal registration for the next season and the accounts swimmer(s) will not be allowed to practice with the team.
5. All payment plans must be paid in full by the end of each swim year (September-September).
6. Bluefish Swim Club and C & C Swimming, Inc. reserve the right to collect all outstanding balances through legal collection processes, including interest as stated above and legal fees incurred in the collection process.

The last thing we want is for an overdue account balance to force us to deny any swimmer from practicing and/or a place on our team. We have every intention of working with our families to avoid plenty's due to delinquencies and assist with acceptable payment programs where they are truly necessary. Communication, however, is the key to our ability to do so.

Bluefish Swim Club

C & C Swimming, Inc.
Honor Code & Team Travel Agreement

The following code is always in effect.

1. Coaching staff holds the final word on any rules, regulations, or disciplinary actions.
2. All Swimmers are expected to follow the team uniform policy and must adhere to ABF apparel sponsor specifications.
3. In a prelim and final competition, swimmers who qualify for finals are expected to participate in the finals (even on Sundays).
4. Any questions swimmers or parents have concerning meet results, an officiating call or the conduct of a meet, should be refereed to an ABF coaching staff. Our coaches, in turn, will pursue the matter through appropriate channels.
5. Swimmers will be punctual and prepared for every training session. Punctual is on time for practice, this is defined as in your suit with your cap and goggles and ready to swim or if there is dryland this means you are in your appropriate clothing ready to go when practice begins. Punctual is not walking through the door when practice begins. Prepared means that swimmers will have all necessary training accessories (flippers, dryland clothes(sneakers, t-shirt, possible wind breaker, hat and gloves) extra goggles & caps).

Items below refer specifically to team travel. Any swimmer attending a travel trip whom the coach, coaches or chaperone feels acts in a manner that would interfere with the travel objectives listed below, will be subject to immediate return home (at the expense of the parent and/or swimmer) and other punishment including barring from future travel meets or other competitions or dismissal from the team.

Facility Usage Policies

Our ability to run successful swimming programs is 100% reliant on good relations with our facilities. Several facilities that we use have specific instructors for parking and utilizing the facility. Any infractions of these policies could result in swimmers and/or families banned from the facility or removal from the team.

The following policies are in effect for any facility that we utilize and should be abided by at all times:

All of our Facilities:

1. Questions or comments about the pools and facilities shall be directed to Christie or Chuck Batchelor. Bluefish parents or swimmers should work with facility personnel.
2. Parents are **NOT** permitted on the pool deck. The coaches at the practice sites will determine and communicate the rules for watching practices.
3. Parents are **NOT** allowed to converse with the coaches or swimmers during practice. This is disruptive and distracting to the coaches and swimmers. (We suggest scheduling a meeting either via phone or e-mail with the coaches.)
4. All water bottles, trash and debris are the responsibility of the swimmers and shall be picked up and disposed of by swimmers at the end of practice.
5. Locker rooms are to be clean of debris, trash, etc after practice.
6. Swim bags and equipment bags are **NOT** to be left on the pool deck overnight. Equipment bags left on the pool deck are considered public property for use by anyone using the pool facility. Neither Bluefish nor the pool facility is responsible for any lost items.
7. Every swimmer is expected to conduct themselves in a responsible manner, and refrain from loud outbursts, horse play, etc.
8. Family members are required to supervise and control the behavior of their non-swimming children.
9. If we are responsible for putting in and/or taking out lane lines. All swimmers will stay to help with this procedure.

WHEATON COLLEGE (WHE): (Norton, MA)

1. Pick up and drop off procedures at Wheaton College.
 - a. Please respect the speed limit on campus – there are a large number of students walking around campus and crossing the roads
 - b. Drop-off: please be mindful of other cars and foot traffic – swimmers should be cautious when crossing the road in front of the pool. Swimmers should enter through the front doors unless otherwise instructed.
 - c. Due to ongoing construction parking access may change. The large lot to the right of the Balfour Natatorium (when facing the building) is open. Please utilize the lot across the street from the pool when it is open. **Do not drop off in front of the building in the circler drive; the second lot is directly across from the Haas Athletic center.**
 - d. Parking is available in Lot 8
2. We are responsible for staffing/supervising swimmers in the locker rooms. Parents we will need you to volunteer for this. This includes ensuring that all trash is in trash receptacles, showers and facets are turned off and no belongings were left behind.

RAYNHAM ATHLETIC CLUB (RAC): (Raynham, MA)

1. After practice Swim Team members may shower (rinse off) quickly but need to be respectful of club members and not overtake the entire shower area.
2. Swimmers can not leave bags or equipment in a locker they must bring it with them onto the pool deck, unless you purchase a locker rental from RAC.
3. If in the middle of practice a swimmer has to use the restroom they **must** dry off and bring a towel with them.
4. The Raynham Athletic Club (RAC) policy on parking:
 - a. Please do not park in the handicap space when dropping your child off as it is illegal. If your car is parked in the handicap space without a permit RAC will tow your vehicle at your expense.
 - b. Drop-off instructions: do not immediately pull up and park in front of the club when dropping your child off as it causes a jam onto Route 44 and can lead to accidents. Please drive around the parking lot (think cul-de-sac) and pull up to the blue awning.
 - c. Pick-up instructions: parents can not wait in their car beside the blue awning entrance to the club, parents must park in space while waiting for swimmers.

McDERMOTT POOL: (Warwick, Rhode Island) Swimming 50 meters, we are responsible for setting up the pool by moving the bulk head, and putting in & taking out lanes lines which requires an entire team effort before and after each practice.
